Court Receives Traffic School Extension Request (FCC802)

Exchange Description

A trial court uses this California judicial branch XML schema-based data exchange to receive a traffic school extension request from an integration partner who is attempting to extend the date by which a case participant must complete traffic school.

- The notification message contains the traffic school extension information (e.g., CCMS case number and participant) sent by the integration partner to the trial court.
- The response message sent by the trial court to the integration partner indicates whether the traffic school extension request has been accepted or rejected and contains the traffic school extension information (e.g., CCMS case number and new traffic school “complete by” date).

Business Response Exchanges

The business response refers to any subsequent exchanges that may occur as a direct result of this exchange.

- There is no business response to this exchange.

Error Handling

If the trial court does not successfully receive and process the incoming extension request message, the integration partner will receive an error message with an error code and error reason.

PROBABLE INTERESTED INTEGRATION PARTNERS

- Traffic school vendors

RELATED EXCHANGES

Related data exchanges are any preceding or subsequent data exchanges that may be used by an integration partner as part of the overall business process related to this exchange.

- Court Receives Traffic School Enrollment Request (FCC804) data exchange is used to receive a traffic school enrollment request from an integration partner in an attempt to dispose a citation with a status of *traffic school*, and precedes the completion notification data exchange (FCC801) and this data exchange (FCC802).
- Court Receives Traffic School Completion Notification (FCC801) data exchange is used to receive traffic school completion notices, and follows this data exchange (FCC802).
